## GUIDED ABOVE-GROUND LEARNING

Monday through Friday, March 15 - November 15

**Caves and Karst Mini Course** - \$100 per 50 participants  
Discover Wisconsin's unique Driftless Area! Get more out of your cave experience with this in-depth look into cave science & walk through our karst landscape! One hour, guided above-ground program.

**Geology of the Earth Mini Course** - \$100 per 50 participants  
Learn about rocks, fossils, & water with one of our knowledgeable educators! Add mining bags to your experience and we will sluice and identify with your group or if you prefer, we will take a hike & see local geology in action. One-hour guided above-ground program. (Interpretation only; sluice bags must be purchased separately.)

### **Group policies:**

- **Group rates & programs** are available with reservations at least 2 weeks in advance.
- **Group minimum** for discounted rates is 20 or more participants.
- **A \$100 deposit** is required to reserve your date and time.
- **Group itineraries** are not provided or guaranteed in advance as actual arrival times or delays that day might require a change in planning.
- **Teacher pre-visit resources** & lesson plans are available at [caveofthemounds.com/educational-resources](http://caveofthemounds.com/educational-resources)
- **1 free ticket is provided for the group organizer** (all other teachers/ staff/ chaperones/ bus drivers will need to purchase a ticket)
